

SDT Supports The Rockdale Houses' 2007 Charity Golf Extravaganza

June 14, 2007 – SDT was a proud sponsor of The Rockdale Houses 2007 Charity Golf Extravaganza held on Saturday, May 19th. John Wilson, Fundraising Chairperson of The Rockdale Houses, hosts an annual golf tournament to raise funds to supplement their general operating budget.

The Rockdale Houses for Men and Women are long-term residential recovery programs for alcoholics and addicts. The program was founded in 1974 and is a certified recovery residence through the Department of Human Resources. Their goal is to help men and women restore their lives, offer assistance to families, and become productive members of society.

Completion of the program requires stable employment, a sober environment in which to live and a positive attitude. Both houses are located in "Olde Towne" Conyers, and the Women's House is on the National Registry of Historic Homes.

SDT's President, James Ezell, attended this event held at Windy Hills Golf Club in Covington, Georgia. SDT's team pictured from left to right are James Ezell; Julius Head, Director of Business Development; Ken Smith, formerly of AT&T, now with Research in Motion; and Bruce Day, VP of Operations.

Julius Head was winner of the grand prize drawing of an HDTV, with Bruce Day lowest round score of the day! It was a fun time for all for a great cause!
